

Parish Strategic Development Plan

For the last 3 years the PPC has followed a development plan that was devised with the help of Joe Hopkins, with responsibility for Diocesan Adult Formation

With the launch of the Diocesan 5 Year Mission plan the development plan for our parish will be revised so that actions in Bourne and The Deepings support the aims and objectives of this mission plan.

The starting point for this is the document **“Describing our Destination”**

Further actions and initiatives will follow.

“Go Make Disciples”
